Behavioural consequences are to be followed in each classroom in conjunction with your Shared Commitments.

1. **Warning** - (students should be clear of how they have broken the commitments)

2. **Warning** – Moved to another workspace in the classroom.

3. **Warning** – Moved to an isolated workspace in the classroom.

4. **Removed to buddy classroom**
   - If this occurs on 3 or more occasions, an Individual Learning Plan around behaviour may be needed.

If a student is refusing to follow teacher instructions at any of the above steps, skip straight to step 5.

5. **Assistant Principal/welfare coordinator/Doug/Tegan contacted** - (this is done by the buddy classroom’s teacher if the student’s behaviour is still not acceptable).

6. **Principal involved.**

If issues/behaviours arise that are more serious (e.g. fighting, bullying) or there are safety concerns, skip straight to step 5.
