Talk Homework

For Big Write this week I am writing a Report. It is about a place that I want to live.

I need to talk about my ideas with as many family members as possible. A great time to do this is while we are all sitting at the dinner table. Could we please not have the TV on so that I can concentrate?

I would love to hear your ideas and opinions and helping write down some prompts to help remind me what we talked about tomorrow. Please help me think of some WOW words to use to make my writing interesting, as well as a strong Opener to hook my reader.

V = Vocabulary, WOW words
C = Connectives, words that join ideas together
O = Openers, ways to start a sentence/story
P = Punctuation, ways to finish a sentence

Parent Signature : __________________
Where in the whole world do you want to live? It could be anywhere! For example:

- The top of a mountain
- The edge of a beach
- In a castle
- A far away place like Africa, France, Germany or maybe even the moon!

Things to consider:

- What will the title of the piece be?
- What sort of place do you want to live in?
- What are some words to describe where you want to live?
