Clyde Show 2015

Date: Thursday 10th of September
Time: 9.00am to 3.00pm

The Clyde Show is almost upon us again, and for the parents who are new to the school, this is a fun day for the whole school community. It is based along the lines of an art show, and everybody is invited.

The senior school students will also be involved in running sideshow activities throughout the day. All children will have the opportunity to participate in these activities using plastic tokens. No money is required on the day for any of the activities.

All students are invited to dress up and join us in our parade. Each grade is asked to dress as something from the ALF theme.

Parents are invited to attend the day, to view the student’s work and to participate in the activities.

All year, the students have been involved in making many exhibits. The idea is for the students to make the exhibits to display at the Clyde Show. The displayed items will be judged in each category, with a range of certificates being awarded.

Snacks can be purchased from the school canteen during the day. Until Sold Out. Students, parents and family members may pre-order lunch (order form on the other side). NO HOT FOOD WILL BE SOLD on the day.

😊 HELPERS NEEDED see your classroom teachers 😊
