

Going to school every day is the single most important part of your child's education. Students learn new things at school every day – missing school puts them behind.

This term we are focusing on improving our whole school attendance *and* punctuality. Clyde Primary is currently above the state average in absences and if your child arrives late regularly to school it can disrupt their and others' learning. Rewards will be given out to classes and students who can improve their attendance and punctuality, while more alerts and information will be sent home.

There is no safe number of days for missing school! Please remember that you must sign in at the front desk for late arrivals, and if your child is away please ensure you let their teacher know the reason for their absence in writing or over tiqbiz.

Thank you,

Miss Heitch.
