POLICY

1. School profile

Clyde Primary School (CPS) is located in the growing City of Casey approximately 50 kilometres south east from Melbourne. The school is 5 kilometres east of Cranbourne and 10 kilometres south of Berwick. Respect, responsibility, resilience are values that are promoted

through every aspect of school life. The school values form the pillars of all learning and wellbeing expectations.

At Clyde Primary School, we aim to build a collaborative learning community that supports independence and motivates students to succeed. Our school recognises the importance of the partnership between our school and parents and carers to support student learning, engagement and wellbeing. We share a commitment to, and a responsibility for, creating an inclusive and safe school environment for our students.

The school currently has a population of around 500 students. 29% of students are English as an Additional Language (EAL) and eight students identify as indigenous. The SFOE (Student Family Occupation and Education) index is 0.4514.

The staffing profile consists of one Principal, one Assistant Principal, one Leading Teacher, one Learning Specialist, 30 Teachers (23 full time, 7 part time) and 15 ES staff. All teachers at Clyde PS work within a whole school PLC (Professional Learning Community) and within sub-school Professional Learning Teams (PLTs).

We have Curriculum Leaders in the areas of English, Mathematics, Wellbeing and Digital Technologies. We also have PLT Leaders who lead our PLT teams in the different areas of the school.

The class structure at Clyde Primary School is based on same cohort groups for each PLT. The current composition consists of four foundation classes, three classes at Year 1, three classes at Year 2, three classes at Year 3, three classes at Year 4, three classes at Year 5 and three classes at Year 6. Specialist classes that are provided include Physical Education (PE), Art, Digital Technologies, Auslan and Music.

Curriculum planning commences in our PLT meetings. In PLT meetings staff use data, the Victorian Curriculum and other evidence-based research to ensure they are planning for student's individual needs. They use various sources of data to discuss student's strengths, areas for improvement and to plan for differentiated teaching and targeted focus groups. Staff attend Professional Learning Sessions on Monday and Thursday afternoons.

Clyde PS run additional programs to support students throughout their schooling. These include: School Camps, Foundation Transition, Whole School Transition, SRC, Lunchtime Programs, Swimming Program, School Performances, Instrumental Music Program and Christmas Concerts. Team Kids (OOHSC) provides before and after school care on site.

Where appropriate, parents will be informed about the inappropriate behaviour and the disciplinary action taken by teachers and other school staff.

Disciplinary measures may be used as part of a staged response to inappropriate behaviour in combination with other engagement and support strategies to ensure that factors that may have contributed to the student's behaviour are identified and addressed.
