

17th October 2025

Dear Parent/Guardian,

Clyde Primary School is looking forward to another great year of teaching and learning and would like to advise you of our School's voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard Victorian curriculum, and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This makes a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to provide a wider offering of subjects and special curriculum experiences; enhanced digital learning opportunities; hands on and engaging resources including the purchase of ICT equipment, Decodable take home books and Library books. Your ongoing support is appreciated, and we are grateful for any contribution you are able to provide towards financial contributions for 2026.

For further information on the Department's Parent Payments Policy please see a one-page overview attached or for the detailed policy go to <https://www2.education.vic.gov.au/pal/parent-payment/policy>

Yours sincerely,

Michelle Mackenlay
Principal
